Selection of support staff who have a family member trying out for the team shall be done after the team roster has been finalized. Support staff positions are as follows:
 - a) Assistant coach(es)

Provincial Team Selection

13) There shall be no less than three Independent Evaluators and no less than four evaluators in total; this shall include the head coach and may include all Head Coach Applicants, if required for numbers. All evaluation records will be kept for reference and submitted to the moderator. The evaluators should be the same for all three tryouts but must be the same for the second and third tryouts.

14) All players, or guardians of players under the age of eighteen (18), shall sign the *Provincial Team Expectation* document and agree to the terms and conditions prior to participating in tryouts.

15) Non-BDRA Athletes attending tryouts

- a) Non-BDRA Athletes shall submit a signed *Part I - Player Tryout* form at the first try-out.
- b) Non-BDRA Athletes shall only be offered a position on the team provided:
 - i) they place in the top eight (8) of the player evaluations, or
 - ii) they do not displace a BDRA player who is of age.
- c) All offers to play for Non-BDRA Athletes are conditional. It is the responsibility of the player to obtain releases from all pertinent parties in compliance with RO or SRRRA policies and provide proof to the BDRA Board of Directors prior to receiving an offer letter.
- d) Players for which Barrie is their “current association” are NOT considered non-BDRA athletes and do not have to rank in top eight (8) to be offered a position; however, the signed “Part I – Player Tryout” form must be submitted at the tryout.

16) Underage players

- a) Underage skaters shall only be offered a position on the team provided they place in the top six (6) of the skater evaluations.

- c) Underage player restrictions do not apply to U12A team formation or to players where a Provincial team does not exist at that players age group and level.

Note: level may be determined based on the players previous level of play. For example, a player previously played first year U16AA and BDRA is forming U16A and U19AA teams. The players previous level of play was AA, therefore should they wish to tryout for U19AA, the underage player restrictions would not apply.

These players shall have their scores pro-rated for the third tryout based on the first two tryouts.
- c) Evaluations shall be given to the Moderator at the end of the tryout to tally the numbers and rank the players in accordance with *BDRA Tryout Ranking Procedures* document.
